Hi Matt,

Attached is the final briefing paper for the April 2<sup>nd</sup> Ag Director's call that Dennis will be hosting. I believe that the pre-brief for the call will be on April 1<sup>st</sup>. I've also added a few attachments for Dennis to have that go along with the briefing paper. Also, I'll be in town all next week attending the Waste to Worth Conference. I'd like to attend the pre-brief and Ag Director's call in person, if possible.

Thanks!  
-Nick
